**Banning Upsets N'bonne Gauchos to Win 13 to 6**

Banning's defeat of Narbonne 13 to 6 in a Marine league game last Friday was the first major upset of the season, rivaling the 7-7 tie that Torrance wrung out of Gardena the same day. It was the first time in 14 years that a Banning eleven has defeated the Gauchos, Banning's Pilots of 1926 being winners. In 1933 the two teams played to a scoreless tie.

Banning scored in the second and third periods to take a 13 to 0 lead but the Gauchos rallied in the opening minutes of the final canto to make the score 13 to 6.

The first Banning score came in the second quarter when Clayton Dukette fired a 14-yard pass to Bob Knox over the goal line. In the third period Bob Legaspi ran 15 yards around left end on a fake reverse to score the opening marker and Quesada threw a pass to Speight for the extra point.

Walker Gaucho Star Narbonne got its touchdown early in the final chapter after Banning had staved off a Gaucho thrust by holding on the three yard line. A 52-yard pass from John Walker to Bill Gibson had put the oval on the Banning ten but the Gauchos failed to dent the Banning line and the drive was stopped.

A poor Banning kick, which was good for only 23 yards, left the Gauchos deep in Banning territory and Walker threw another pass, this one good for 22 yards and a first down on the one yard stripe. Walker then hit center for the score.

Leroy Richardson, Banning back, scored the longest run of the day, a 59-yard jaunt around end. Walker's general all-around play was the highlight performance for Narbonne.

Coach Mark Sampson, who made his debut as Banning grid coach, this fall, formerly was a Narbonne coach and trained several Gaucho teams that whipped Banning in the 14-year span.

**SCORE BY QUARTERS**

**Redondo Plays Fresno Nov. 22 in Intersectional Tilt**

**KICKS OUT OF DANGER . . .** Jay McKie, sensational Redondo Union high school halfback, punts out of danger from behind his own goal line in a bitterly-fought Bay League battle that found Redondo trimming Compton high school, 7 to 6. McKie's kicking and passing will constitute one of Redondo's biggest threats when the Seahawks meet the unbeaten Fresno high school team at Redondo Friday, Nov. 22. Redondo Beach Lions are sponsoring the intersectional tilt.

On Friday, Nov. 22, Fresno high school will play Redondo Union high school in an intersectional football game at Redondo Beach. The game has been arranged under the auspices of the Redondo Beach Lions Club, benefits to go to Redondo high's athletic fund. To add to the football festivities, a parade will be staged just prior to the game which starts at 2 p.m. All service clubs in the three beach cities will participate and a mock football game between the Manhattan Beach and Redondo Beach Lions Clubs will highlight the half period.

**MARINE LEAGUE GRID END ALL KNOTTED UP BY TARTAR TIE AND BANNING VICTORY**

If Narbonne's Gauchos can tie or defeat San Pedro at Lomita tomorrow afternoon, the port city Pirates won't walk off with the Marine League title this year. On the other hand, if San Pedro beats Narbonne and Torrance (the latter game being scheduled for Nov. 22), the Pirates are certain to grab the championship.

These conclusions are the result of Torrance's well-deserved 7-7 tie with Gardena last week and Banning's upset of Narbonne, 13 to 6.

Coach Robert Barr's Tartars tossed a monkey-wrench into the league grid gears by their showing against the Gardenas. At the same time Banning defeated the Narbonne Gauchos for the first time in 14 years. San Pedro staged a Notre Dame finish to wallop the Mt. Carmel squad 25 to 6 before a homecoming crowd.

San Pedro falters Tomorrow San Pedro comes to

Fresno is admittedly possessor of the finest football record, having been undefeated this season. The game will offer an opportunity for Harbor District fans to see the brand of football played in the North. Redondo has lost but one conference game so far this year and still has a chance at second place in the Bay League, the decision to rest on the outcome of the game with Beverly Hills tomorrow. Tickets for the Redondo-Fresno game may be obtained at R. U. H. S. Stadium on the day of the game. Prices range from \$1 reserved section to 50 cents general admission and 25 cents for students.

**Quail Report Good**

Reports reaching the Outing Department of the National Automobile Club are that the eastern portion of Riverside county has the largest quail crop in years. Quail season will open Nov. 15 and continue thru the remainder of the year. The limit is 10 birds per day, 20 per week, with not more than 10 quail in the aggregate of all species to be possessed by any person during one day.

There are no Sunday schools in Russia or Turkey.

**Tartars Hold Gardenans to 7-7 Tie Game**

In the nearest approach to a Marine League victory in two years, Torrance battled the smart, rough-tumble Gardena Mohicans to a 7 to 7 tie last Friday afternoon. A place-kick, attempted by David Jacobs from the 22-yard line in the second quarter when the score was tied, failed to clear the cross-bar.

Although the Tartars played "way over their heads" in stopping the heavy Gardenas, the story was the same as it has been in all previous Torrance games this season: Opponents score first quarter and then are played to a standoff for the remainder of the game.

A blocked Torrance punt in the closing moments of the opening quarter gave Gardena the ball on the Torrance 35-yard stripe. Lowell Wagner plunged around left end to the 10-yard line and Poe dashed thru right tackle to score. Lowell Wagner added the extra point by a left guard smash.

**Wagner Held Down**  
Torrance scored on a Marine League opponent for the first time since Oct. 20, 1929 (when Banning defeated the Tartars 12 to 7) in the second quarter by way of a pass, Golden to Parton, who galloped around left end from the 12-yard line. Jacobs' conversion kick was good.

That was the scoring part of the game but the outstanding feature of the contest was the Tartars' dogged fight that kept the Gardenas from pay territory. Torrance passes were uniformly good and although Lowell Wagner continued to show the best form of any player in the league, he was unable to get away for any of his spectacular long runs.

The Tartar line took a lot of punishment from the heavier Mohicans but rallied in crucial moments to stop the on-rush.

**Yardstick Statistics**  
Gardena made 10 first downs to the Tartars' three; gained 159 yards in running plays to Torrance's 40 and was penalized 35 yards to the local team's 30.

Torrance attempted eight passes and completed seven for 105 yards while Gardena tried five heaves, completed one for 12 yards. Torrance intercepted two of the Mohicans' passes while the invaders trapped one of the Tartars' flights.

The local eleven lost 13 yards on running plays and the Gardenas were set back 11. Torrance kickers got off seven punts, Gardena booters lifted four into the air. Torrance fumbled twice, recovered one of their bobbles and two of Gardena's three fumbles.
